**UNOPPOSED MOTION TO ENLARGE  
PRETRIAL MOTION DEADLINE**

Comes now Defendant Coleman Boyd [4], by and through counsel, and moves the Court to enlarge the April 14, 2023 pretrial motion filing deadline two weeks for all defendants; and in support thereof submits the following:

The Court's Scheduling Order [DE 208] set April 14, 2023 as the deadline for Defendants to file replies in support of motions to dismiss, with that date representing an allocation of approximately two weeks for Defendants to prepare and file their replies. This allocated period was however compressed down to four (4) days by the respective extensions requested and granted to both defendants and government.

In light of such reduction, Defendants need additional time to prepare their replies, and for that reason respectfully request the current deadline be enlarged to April 28, 2023,

in order to give the Defendants approximately two weeks, as envisioned in the Court's original order.

The government attorney has indicated it has no objection to this requested extension.

This extension is requested not for delay but to aid an orderly and considered presentation of arguments on the issues before the Court.

Respectfully submitted,

/s/ Steve C. Thornton
